ADDRESS ALL CORRESPONDENCE TO:  
P.O. BOX 1460  
ALHAMBRA, CALIFORNIA 91802-1460

March 30, 2006

IN REPLY PLEASE  
REFER TO FILE: PD-3

The Honorable Board of Supervisors  
County of Los Angeles  
383 Kenneth Hahn Hall of Administration  
500 West Temple Street  
Los Angeles, CA 90012

Dear Supervisors:

**FLOOD CONTROL DISTRICT  
ANNUAL BENEFIT ASSESSMENT-CONTINUATION  
ALL SUPERVISORIAL DISTRICTS  
3 VOTES**

**IT IS RECOMMENDED THAT YOUR BOARD ACTING AS THE GOVERNING BODY  
OF THE LOS ANGELES COUNTY FLOOD CONTROL DISTRICT:**

1. Receive and file this report, pertaining to the annual Flood Control Benefit Assessment for Fiscal Year 2006-07, at the same rate that is currently in effect, \$28.85 in Zone 1, \$5.95 in Zone 2, and \$0.00 in Zones 3 and 4, which will provide approximately \$108 million for flood control purposes.
2. Set a date for a public hearing on the continued levy of the Flood Control Benefit Assessment for Fiscal Year 2006-07.
3. Instruct the Executive Officer to publish the enclosed Notice of Public Hearing, in both English and Spanish language newspapers, in accordance with Section 6066 of the Government Code, and to post the notice in at least three public places within the Los Angeles County Flood Control (District).

**AFTER THE PUBLIC HEARING, IT IS RECOMMENDED THAT YOUR BOARD ACTING AS THE GOVERNING BODY OF THE LOS ANGELES COUNTY FLOOD CONTROL DISTRICT:**

1. Find that the enclosed Resolution is being adopted for the purpose of meeting operational expenses, and is, therefore, exempt from the California Environmental Quality Act pursuant to Section 21080 (b) (8) of the Public Resources Code and Section 15273 of Title 14 of the California Code of Regulations (the State CEQA Guidelines);
2. Adopt the enclosed Resolution imposing the annual Flood Control Benefit Assessment on each parcel of the land within the District for Fiscal Year 2006-07.

**PURPOSE/JUSTIFICATION OF RECOMMENDED ACTION**

This report presents for approval by the Board of Supervisors the continuation of the Flood Control Benefit Assessment to finance a portion of the flood control services to be performed in the District during Fiscal Year 2006-07.

Continuation of the benefit assessment is necessary to supplement other limited revenues to operate and maintain the flood control system, respond to storm threats and flooding emergencies, provide for construction of a limited number of needed storm drains, and to remediate seismic deficiencies and rehabilitation inlet/outlet works at our dams. Revenue from the benefit assessment is also used to partially finance compliance with the Clean Water Act, which includes the National Pollutant Discharge Elimination System (NPDES) Municipal Stormwater Permit, twelve existing Total Maximum Daily Loads (TMDLs), and four new TMDLs approved in early 2006. The new TMDLs include Malibu Creek Bacteria TMDL, Los Angeles River Metal TMDL, Ballona Creek Metal TMDL, and Ballona Creek Toxics TMDL.

We continue to shift our resources from construction of storm drains to providing flood control from a watershed management perspective. This watershed management perspective utilizes such strategies as construction of multiuse flood control facilities, reduction of hardscape areas, increase in on-site detention, public education, and incorporation of other similar measures. This new perspective is more environmentally sensitive than traditional flood control approaches.

### **Implementation of Strategic Plan Goals**

This action is consistent with the County Strategic Plan Goal of Fiscal Responsibility as this benefit assessment provides the necessary funds to continue maintaining our flood control system in a safe and effective operating condition. It also satisfies the Goal of Service Excellence since maintaining our flood control facilities provides flood protection to residents, which improves the quality of life in the County.

### **FISCAL IMPACT/FINANCING**

It is essential that your Board continue the annual Flood Control Benefit Assessment. If the assessment is not continued, all flood control programs, including the mitigation of flooding problems, operation and maintenance, emergency response to flood damage, and compliance with the NPDES Municipal Stormwater Permit and TMDL requirements, would be severely impacted.

The costs to implement the new NPDES permit and new TMDL requirements cannot be solely met with funds collected through the benefit assessment at the same rate. Due to a delay in the TMDL implementation schedule, construction costs for this fiscal year have decreased, but the long-term costs are projected to continue to increase. We will offset these cost increases by continuing to improve efficiencies in other activities and reducing the number of new projects. However, in future fiscal years, we expect increased regulatory requirements under the Clean Water Act, especially the TMDL requirements, which will have a devastating effect on the Flood Control Budget. Over the next seven years, nearly sixty additional TMDL requirements will be developed, and we will have to implement programs and projects to comply with these requirements. However, we will not be able to both comply and provide flood control services at an acceptable level without additional revenue. Our current estimates indicate that our backlog of unfunded needs for Fiscal Year 2006-07 will exceed \$100 million. Future TMDL requirements will increase this unfunded backlog significantly. Consequently, we have begun to research and strategize various means of generating the needed revenue.

### **FACTS AND PROVISIONS/LEGAL REQUIREMENTS**

The Flood Control Benefit Assessment was first levied by your Board for Fiscal Year 1979-80. In the November 6, 1979, election, the electorate approved Proposition A, which authorized the District to continue to levy such assessment. Each subsequent year, your Board has approved continuation of the benefit assessment. As in previous years, this benefit assessment would be placed on the tax bill to be collected at the same time and in the same manner as property taxes.

As in previous years, the proposed Fiscal Year 2006-07 assessment is based on the estimated stormwater runoff from each parcel. The District is divided into four zones. Each of the four zones in the enclosed Table 2 (Benefit Assessment System Zone Table) are defined by map book; map book and page; or map book, page, and parcel number and shown on the enclosed Figure 1 (Zone Map).

Zones 3 and 4 consist of remote, nonurban lands that receive no flood control services from the District and whose runoff leaves the District without being handled by District facilities. Therefore, the assessment for the basic unit parcel in these zones is \$0.00, which results in zero benefit assessment charges in Zones 3 and 4. Zone 2 is located in the northern portion of the District and was established in recognition of its unique geographic and hydrologic characteristics. The assessment for the basic unit parcel in Zone 2 is \$5.95. Zone 1 is comprised of the remainder of the District. The assessment for the basic unit parcel in Zone 1 is \$28.85. The Fiscal Year 2006-07 recommended rates for all zones are the same as the rates for Fiscal Years 1996-97 through 2005-06.

The runoff factors, identified in the enclosed Table 1 (Runoff Factors), remain unchanged from the previous year. The runoff factors are based on the proportionate stormwater runoff from each parcel. The proportionate stormwater runoff is a function of the impervious area within each parcel. For example, the assessments for one-acre parcels in Zone 1 with use code designations of department store and vacant land are \$446.11 and \$8.61, respectively.

Property owners in Zone 1 can compute their assessment by finding the runoff factor assigned to the land use of their parcel in Table 1 and by using the following formula:

$$\text{Assessment} = \$28.85 \times (\text{area of parcel in acres}) \times (\text{runoff factor for parcel}) \div 0.0637$$

In Zone 2, property owners can compute their assessment by finding the runoff factor assigned to the land use of their parcel in Table 1 and by using the following formula:

$$\text{Assessment} = \$5.95 \times (\text{area of parcel in acres}) \times (\text{runoff factor for parcel}) \div 0.0637$$

In Zones 3 and 4, there will be zero assessments levied.

The assessment is being levied on all real property situated in the District except for government property and zero runoff factor property. In addition to the information contained in this report, the official Assessor map books and records of the County of Los Angeles are hereby referenced and, by reference, are incorporated into this report as if they were fully set forth.

The Honorable Board of Supervisors  
March 30, 2006  
Page 5

The Flood Control Benefit Assessment is levied pursuant to the Benefit Assessment Act of 1982 (Government Code Section 54703, et seq.). In accordance with Government Code Sections 54715 and 54716, the Board of Supervisors may levy the annual Flood Control Benefit Assessment after receiving this report and conducting a hearing to consider all public comments and testimony regarding the continuation of the benefit assessment.

In accordance with Government Code Section 54716 (b), the clerk shall cause notice of the filing of this report and of the time, date, and place of the hearing to be published, pursuant to Section 6066, and posted in at least three public places within the Flood Control District. The Director of Public Works, or his designee, will post the notices of the public hearing.

At the conclusion of the public hearing, your Board may adopt, revise, change, reduce, or modify the assessment.

A Resolution is required to levy the annual benefit assessment. Ordinance No. 93-0038FC, adopted May 4, 1993, amended Chapter 15 of the Los Angeles County Flood Control District Code to provide that the annual Flood Control District Benefit Assessment shall be levied by Resolution adopted by the Board of Supervisors. The enclosed Resolution, approved as to form by County Counsel, has been prepared for your consideration following the hearing.

#### **ENVIRONMENTAL DOCUMENTATION**

As indicated above, the levy of the annual Flood Control Benefit Assessment is for the purpose of meeting operating expenses of the District. Accordingly, the adoption of the enclosed Resolution is exempt from the California Environmental Quality Act, pursuant to Section 21080 (b) (8) of the Public Resources Code and Section 15273 of Title 14 of the California Code of Regulations (the State CEQA Guidelines).

#### **IMPACT ON CURRENT SERVICES (OR PROJECTS)**

If the annual Flood Control Benefit Assessment is not continued for Fiscal Year 2006-07, the current level of flood control services will be reduced by over 49 percent, and we will not be able to implement measures needed to comply with water quality regulations. Failure to comply with these regulations could result in fines and enforcement actions, brought by the Regional Water Quality Control Board, against the District and the County. Discontinuance of the Flood Control Benefit Assessment will also severely impact our response to storm threats and flooding emergencies and the implementation of the Watershed Management Program.

The Honorable Board of Supervisors  
March 30, 2006

**NOTICE OF PUBLIC HEARING  
CONCERNING CONTINUATION OF BENEFIT ASSESSMENT FOR  
FLOOD CONTROL PURPOSES BY THE  
BOARD OF SUPERVISORS  
LOS ANGELES COUNTY FLOOD CONTROL DISTRICT**

Notice is hereby given that a public hearing will be held before the Board of Supervisors in Room 381B, Kenneth Hahn Hall of Administration, 500 West Temple Street, Los Angeles, California, at 9:30 a.m., on Tuesday, May 23, 2006, pursuant to the provisions of Sections 54715 et. seq. and 6066 of the Government Code, for the purpose of considering the continuation of the existing benefit assessment for flood control purposes for Fiscal Year 2006-07.

The County of Los Angeles Department of Public Works has recommended to the Board of Supervisors that the benefit assessment rates for Fiscal Year 2006-07 remain the same as this year's (2005-06) rate.

The benefit assessment will be levied on each parcel of real property within the Los Angeles County Flood Control District to cover the cost, not otherwise offset by other available revenue, of providing flood control services to the property. The benefit assessment will be determined on the basis of the proportionate stormwater runoff from each parcel.

For further information, please contact Mr. Jim Nanninga at (626) 458-3945 or [jnanning@ladpw.org](mailto:jnanning@ladpw.org). By order of the Board of Supervisors, County of Los Angeles, State of California, on April 11, 2006.

---

JOANNE STURGES  
Acting Executive Officer of the  
Board of Supervisors of  
the County of Los Angeles

**AVISO DE AUDIENCIA PUBLICA**  
**CONSEJO DE SUPERVISORES CONDADO DE LOS ANGELES**  
**DISTRITO PARA EL CONTROL DE INUNDACIONES**  
**CONTINUACION DEL ASESORAMIENTO PARA LOS BENEFICIOS**  
**DEL CONTROL DE INUNDACIONES**

Se anuncia una audiencia pública ante el Consejo de Supervisores del Condado de Los Angeles en el Salón de Administración Kenneth Hahn, Apartado Número 381B, 500 West Temple Street, Los Angeles, California, a las 9:30 a.m., el Martes 23 de Mayo 2006, conforme a las estipulaciones de las Secciones 54715 et. seq. y 6066 del Código Gubernamental con el propósito de considerar la continuación del asesoramiento para los beneficios del control de inundaciones para el Año Fiscal 2006-07.

El Departamento de Obras Públicas de Condado de Los Angeles ha recomendado al Consejo de Supervisores que las tarifas de asesoramiento para los beneficios del control de inundaciones permanezcan igual que las tarifas del corriente año (2005-06).

El asesoramiento para los beneficios del control de inundaciones serán recaudados por cada parcela inmobiliaria localizada dentro del Distrito para el Control de Inundaciones del Condado de Los Angeles. Estos fondos son utilizados para proveer servicios de control de inundaciones a la propiedad. El asesoramiento para los beneficios del control de inundaciones será determinado proporcionalmente con la cantidad de aguas pluviales que fluyan desde cada parcela. Este asesoramiento cubre costos que no son compensados por otros ingresos públicos.

Para más información, por favor comuníquese con el Señor Art Correa al (626) 458-3971 o [arcorrea@ladpw.org](mailto:arcorrea@ladpw.org). Por orden del Consejo de Supervisores, Condado de Los Angeles, Estado de California, el 11 de Abril 2006.

---

**JOANNE STURGES**  
Oficial Ejecutivo del Consejo de Supervisores  
Condado de Los Angeles

**RESOLUTION OF THE BOARD OF SUPERVISORS  
OF THE LOS ANGELES COUNTY FLOOD CONTROL DISTRICT  
DETERMINING AND LEVYING A FLOOD CONTROL  
BENEFIT ASSESSMENT FOR FISCAL YEAR 2006-07**

The Benefit Assessment Act of 1982 (Government Code §54703 et seq.) authorizes local agencies such as the Los Angeles County Flood Control District to impose benefit assessments to finance both the maintenance and operation costs of flood control services and facilities and the costs of installation and improvement of such facilities.

The District levied its first annual flood control benefit assessment for Fiscal Year 1979-80. In the special election of November 6, 1979, the voters of District approved Proposition A, thereby allowing District to continue to levy annual benefit assessments. Such voter approval was required by former §60406 of the Government Code, within one year after the levy of the initial benefit assessment.

The District has levied a benefit assessment annually since Fiscal Year 1979-80.

The amount of money available from ad valorem taxes is inadequate to operate the existing flood protection system, to respond to emergencies, to perform maintenance and repairs, to install and improve facilities, to conserve water, and to mitigate flood and debris problems attributable to land developments. It is, therefore, necessary to impose a benefit assessment on the properties within District.

The Board has received and reviewed the written report of Chief Engineer of the District regarding the proposed benefit assessments and has heard and considered all public testimony and comments relating thereto.

NOW, THEREFORE, BE IT RESOLVED, that Board of Supervisors of the Los Angeles County Flood Control District hereby determines and levies the annual benefit assessment on each parcel of real property in the District for the fiscal year beginning July 1, 2006, as set forth herein.

Section 1. For purposes of this resolution, the following definitions shall apply:

- A. "Board" means the Board of Supervisors of the Los Angeles County Flood Control District.
- B. "Chief Engineer" means the Chief Engineer of the Los Angeles County Flood Control District.
- C. "District" means the Los Angeles County Flood Control District.
- D. "Parcel of real property" means a parcel of real property as shown on the local secured tax rolls of the County of Los Angeles.

Section 2. Since the District's services are necessitated by stormwater runoff, the Board of Supervisors finds that the most equitable basis upon which to levy the assessment is in proportion to the stormwater runoff attributable to the area and land use of each parcel of real property within the District as shown on the tax rolls.

Section 3. The assessment for each parcel in Zone 1 of the District shall be derived by applying the following formula:

$$\text{Assessment} = \$28.85 \times (\text{area of parcel in acres}) \times (\text{runoff factor for parcel}) \div 0.0637$$

The parcel runoff factor shall be determined according to Table 1 as set forth in Section 10. This charge shall be in addition to any ad valorem taxes levied by the District on such property.

Section 4. The assessment for each parcel in Zone 2 of the District shall be derived by applying the following formula:

$$\text{Assessment} = \$5.95 \times (\text{area of parcel in acres}) \times (\text{runoff factor for parcel}) \div 0.0637$$

The parcel runoff factor shall be determined according to Table 1 as set forth in Section 10. This charge shall be in addition to any ad valorem taxes levied by the District on such property.

Section 5. In Zones 3 and 4 there will be zero assessments levied.

Section 6. The zone designation of each parcel shall be determined according to Table 2 as set forth in Section 10.

Section 7. The assessment shall be collected for the 2006-07 Fiscal Year on the tax roll at the same time and in the same manner as the general taxes of the County of Los Angeles.

Section 8. The assessment formulas and parcel runoff factors provided herein for parcels in Zones 1 and 2 remain the same as those imposed in Fiscal Year 2005-06.

Section 9. If any portion of the levy, collection, or expenditure of the benefit assessment provided for herein is declared invalid or unconstitutional, the remaining levy, collection, or expenditure of the benefit assessment shall not be affected but shall remain in full force and effect.

Section 10. Tables 1 and 2, Runoff Factors and Benefit Assessment Zones, are attached hereto and by this reference made a part hereof.

The foregoing resolution was on the \_\_\_\_\_ day of \_\_\_\_\_, 2006, adopted by the Board of Supervisors of the Los Angeles County Flood Control District.

JOANNE STURGES  
Acting Executive Officer of the  
Board of Supervisors of the  
County of Los Angeles

By \_\_\_\_\_  
Deputy

APPROVED AS TO FORM:

RAYMOND G. FORTNER JR.  
County Counsel

By   
Deputy
